

PE PRIMARY FUNDING 2015-16

St Oswald's receives Sports Premium funding from the Government and must use the funding to make additional and sustainable improvements to the quality of PE and sport which we offer.

This means that we use the premium to:

- develop and add to the PE and sport activities that we already offer;
- make improvements during the current academic year that will benefit pupils joining the school in future years;
- hire qualified sports coaches to work with teachers;
- provide existing staff with training or resources to help them teach PE and sport more effectively;
- introduce new sports or activities and encourage more pupils to take up sport;
- support and involve the least active children by running or extending school sports clubs and Change4Life clubs;
- engage children in sport competitions;
- increase pupils' participation in the School Games;
- run/compete in sports activities with other schools.
